**Meeting Presentation:**

Mr. Radar began the Plant Tour with an introduction to AC Coin and some information about the gaming industry:

- He started with some back ground on their products which can be reviewed at this link <http://www.accoin.com/default.htm>
- AC Coin is short for Atlantic City Coin and Slot
- Atlantic City is the corporate office and also houses Research & Development (R&D) for the company
- Production is in Las Vegas
- AC Coin is a distributor in Atlantic City and in the Caribbean
- The Quality staff works out of the Las Vegas facility
- Two inspectors are employed along with Tony
- An overview of gaming growth was given
- Gaming compliance is big issue
- No sales of machines - leases
- A certified destruction process of machines is mandated
- Machines typically have a six month shelf life
- Machine are UL approved and for an order in Canada, machines had to meet a water proofing standard

Attendees were taken on a tour of the plant and some of the machines in assembly and test on the factory floor were described. After the tour, Pizza was delivered (provided by Tony and AC Coin) and discussions about AC Coin and the gaming industry continued.
