

**It's All About the People—A Quality for Life™ Story**

Marlyn Hyde has been the heart and soul of the ASQ Northern Illinois Section for over 20 years, having held many leadership positions. However, it is in her role as a trainer for certifications that she has demonstrated Quality for Life.

**The Emerging Quality Culture at General Motors**

ASQ Managing Director Laurel Nelson-Rowe recently had the opportunity to visit General Motors (GM) and talk with Terry Woychowski, GM's new vice president of global quality and launch. Watch videos of their conversation about GM's quality culture by visiting the A View from the Q blog.
