Dear Sir:

This is to confirm our telecon this date regarding the error made in signing the ASQC Charter for the new Las Vegas Section.

The Charter was issued May 5, 1968, during the time that I, as Chairman of the Las Vegas Subsection of the San Bernardino Section, ASQC, made the presentation to the National Headquarters, which resulted in the acceptance of our Subsection as a full Section.

The Charter was presented to the Las Vegas Section by Mr. Dean Edgerton, Director, Region 7, July 11, 1968, during the installation of the incoming officers. At this time it was Mr. Edgerton's belief that the Charter should be signed by the incoming officers. However, since you have clarified the matter and informed me that the Charter must be signed by the Chairman and Secretary in office at the time of issuance, I would appreciate your proceeding with your suggestion of recalling the Charter and re-issuing it.

Very truly yours,

R. B. Glasscock
Past-Chairman
Las Vegas Section, ASQC
