Only a Select Few Are Members of This Club

Member referral is a big component of member recruitment for any association. The ASQ Century Club honors members who have referred 100 or more colleagues for ASQ membership. ASQ would like to take the opportunity to congratulate and thank members who have reached—and surpassed—the 100 member mark in 2000-11. The Century Club members will be featured in the “Keeping Current” section of *Quality Progress*, January 2012.
